

# Region XIX Spring Meeting Minutes – Orchestra Division

May 6, 2006 – San Jacinto College North

Meeting is led by Dr. Chris Reidlinger.

Acknowledgement made to C & SR host from this year.

Review of planning meeting on April 20, 2006.

T. Ledford suggest for 2007-2008 a split of the Region orchestra wind audition from the band auditions. Reidlinger asked Tanner to do a preliminary study on this and to use Keith Marcusson from Region XI as a resource. Stacy Wild also mentioned that Region 14 also does something similar.

A committee of Reidlinger, Buck and T. Ledford will work on fee structure for next year – will report back at the Fall Meeting.

We will have a Region rules/policies meeting this summer to come up with written guidelines. Reidlinger will email the date.
